

# VITAVOX OUTACOM™

## Vehicle Mounted Tactical Public Address System

Vitavox **OUTACOM™** is a mobile, vehicle mounted Tactical Public Address system for use on all tracked and wheeled armoured fighting vehicles. The Vitavox **OUTACOM™** is currently in operation on AJAX programme as part of the prescribed 'shout before you shoot' military doctrine.

### Features:

- MIL-STD 461E, MIL-STD 861F and DEF-STAN compliant
- Blastproof, shockproof and weatherproof (IP67)
- Standalone or intercom integrated solution
- Direct communications in urban theatres of operation
- Hailers mounted on PROTECTOR Remote Weapon Station

### Benefits:

- Protects crew
- Reduces risk of unnecessary collateral damage
- Reduces probability of unnecessary escalation of violence
- Direct, command and control of immediate local area
- Safe crowd dispersal and area clearance
- Selectable audio broadcast messaging in local language

# Enhanced Operational Functionality that saves lives

## Why VITAVOX Outacom™ System?

- Protects crew, removing need for dismounted exposure
- Reduces risk of unwanted escalation of force: civilian deaths and collateral damage
- Warns potential threats at distance
- Interpreter/Psyops application as required
- Outacom™ may be integrated with any tactical intercom or will operate as 'stand alone' system
- Mandated for UKMOD AJAX, ARES, ATHENA, APOLLO, ATLAS and ARGUS
